EXPERIENCE

Telstra Retail, Ipswich — *Platinum Specialist*

OCTOBER 2017 - PRESENT

It is my job to advise people on technical issues related to their phones and internet. Give excellent customer service and drive sales.

Domino's Pizza, Sprngfield — *Assistant Manager*

JANUARY 2016 - SEPTEMBER 2017

It was my responsibility to manage a group of people to efficiently produce and deliver pizza. I would also count the tills and manage stock for the store.

EDUCATION

Coder Academy, Brisbane — *Diploma of IT*

FEBRUARY 2020 - FEBRUARY 2021 (COMPLETION DATE)

St. Augustine's College, Brookwater — *Year 12 High School*

NOVEMBER 2009

PROJECTS

Portfolio Website — **A Showcase of my Frontend Talent**

Utilizing HTML, SASS and Javascript I have deployed my own website to www.danielkeefer.com to showcase my creativity and proficiency with front end technologies.

ABOUT ME

I love creating useful and beautiful things with code. I am constantly learning what tricks I can make my computer do. I am a big Nerd and stereotypically love D&D, Video Games and Star Trek.
